

## **NOTICE TO THE MARKET**

Votorantim S.A. hereby informs the market in general that, today, its subsidiary Banco Votorantim S.A. ("banco BV") clarified to the market that the General Table of Creditors presented by Americanas does not reflect its real exposure.

On January 11, the disclosure date of the Material Fact in which Americanas acknowledged its accounting inconsistencies, banco BV was creditor of Bank Credit Notes owed by Americanas with a debt balance of approximately R\$206 million ("BV CCBs"). Pursuant to the settlement agreement signed in accordance with CMN Resolution No. 3,263/05, the BV CCBs were fully compensated with investments held by Americanas in banco BV. Said compensation is under legal dispute by Americanas.

Banco BV has already reported the amount of its credit against Americanas via extrajudicial notice, and will reiterate the information, in the records of the recovery process, requesting the immediate correction of the amount.
